

Section 1: Identification

1.1 Product Identifier

Name PolyMaster 1.5 Component A

1.2 Identified use for substance and uses against

No data

1.3 Company Details

Name Deutsch Master
 Address Nikolaus-Otto-Straße 15
 24568, Kaltenkirchen
 Germany
 English Phone +1 (703) 527-3887 (Daytime & Emergency)
 Spanish Phone +56 22 581 4934 (Daytime & Emergency)
 Email Info@dm-chemicals.com
 Website dm-chemicals.com

Section 2: Hazards

2.1 Materials Classification

This mixture is classified using standard ABNT-NBR 14725-2.

2.2 Labelling elements

GHS07
Exclamation mark

<p>Hazard statement</p> <p>H302 H319 H336 H402</p> <p>Hazard Prevention</p> <p>P261 P264 P270 P271 P273 P280</p>	<p>Harmful if swallowed Causes severe eye irritation May cause drowsiness or dizziness Harmful to aquatic organisms.</p> <p>Avoid inhalation Wash hands thoroughly after handling Do not eat/ drink/ smoke around product Use only outdoors in well-ventilated areas Avoid release into environment Wear protective clothing and eye protection</p>

Although the information and specifications provided in this document are, to the best of our knowledge, accurate and truthful, Deutsch Master recommends that users conduct a trial to confirm the suitability of the product for the intended application. Please note that regional climatic conditions may result in variations in the product's performance. No warranty, express or implied, is provided or implied in connection with any recommendations or suggestions made by Deutsch Master, its representatives, agents, or distributors. The information contained in this technical data sheet is effective from the date shown and supersedes all previous data. Customers should check with their local Deutsch Master office to ensure they are referencing the current version.

Hazard Response P301, P312	In case of ingestion, contact a Toxicology information centre or doctor
P304, P340	In case of inhalation, remove to fresh air
P305, P351, P338	If in eyes, rinse cautiously with running water for several minutes
P312	If unwell, seek medical attention or doctor
P330	Rinse mouth
P337, P313	If eye irritation persists, seek medical attention if irritation persists

2.3 Other hazards

No Data

Section 3: Component information

3.2 Hazardous ingredients

Hazard classification	Substance Name	Concentration
H317	Industrial secret 1	Weight: 20% - 60%
H319, H401	Industrial secret 2 (this product contains - 2,6-di-ter-butyl-p-cresol (butyl hydroxi touleno, bht)	Weight: 10% - 25%

Section 4: First Aid

4.1: First aid guidance

Inhalation	Remove the victim to a ventilated area and keep them at rest in a position that does not make breathing difficult. If you feel unwell, contact a TOXICOLOGICAL INFORMATION CENTRE or a doctor. Take this SDS with you
Skin contact	Wash exposed skin with sufficient water to remove material. Remove and isolate contaminated clothing and shoes. In case of skin irritation: Consult a doctor. Take this SDS with you.
Eye contact	Rinse thoroughly with water for several minutes. If wearing contact lenses, remove them if easy. Continue rinsing. If eye irritation persists: consult a doctor. Take this SDS with you.
Symptoms and further effects	Causes severe eye irritation with redness and pain. Harmful if swallowed. May cause drowsiness or vertigo, which can cause nausea and dizziness.
Notes to physician:	Avoid contact with the product when rescuing the victim. If necessary, symptomatic treatment should include, above all, supportive measures such as correction of hydroelectrolytic and metabolic disorders, as well as respiratory assistance. In the event of skin contact, do not rub the affected area.

Although the information and specifications provided in this document are, to the best of our knowledge, accurate and truthful, Deutsch Master recommends that users conduct a trial to confirm the suitability of the product for the intended application. Please note that regional climatic conditions may result in variations in the product's performance. No warranty, express or implied, is provided or implied in connection with any recommendations or suggestions made by Deutsch Master, its representatives, agents, or distributors. The information contained in this technical data sheet is effective from the date shown and supersedes all previous data. Customers should check with their local Deutsch Master office to ensure they are referencing the current version.

Section 5: Extinguishing a fire**5.1 Extinguishing medium**

Powder, CO₂, Water spray
(Full water jet is an unsuitable medium)

5.2 Hazards biproducts arising from mixture combustion

Any gases, vapours can be toxic

5.3 Firefighter advice

Wear self-contained breathing apparatus (SCBA) with positive pressure and full protective clothing. Containers and tanks involved in the fire should be cooled with water mist.

Section 6: Accidental release measures**6.1. Personal precautions, protective equipment, and emergency procedures****6.1.1. For non-emergency personnel**

Personal precautions: Avoid breathing any dust, fumes, or sprays. Remove persons to safety.

Protective equipment: Wear protective gloves/protective clothing/eye protection/face protection.

6.1.2. For emergency responders

Personal protection see section 8
equipment:

6.2. Environmental precautions

Do not allow to enter surface water or drains unreacted.

6.3. Methods and material for containment and cleaning up

For containment: Absorb with liquid-binding material (sand, diatomaceous earth, acid- or universal binding agents).

Section 7: Handling & storage**7.1 Precautions for safe handling**

Advice on safe handling Wear personal protection equipment (see section 8)

Advice on occupational hygiene Avoid eating, drinking, or smoking in proximity to product.
Avoid contact with skin or eyes.

Although the information and specifications provided in this document are, to the best of our knowledge, accurate and truthful, Deutsch Master recommends that users conduct a trial to confirm the suitability of the product for the intended application. Please note that regional climatic conditions may result in variations in the product's performance. No warranty, express or implied, is provided or implied in connection with any recommendations or suggestions made by Deutsch Master, its representatives, agents, or distributors. The information contained in this technical data sheet is effective from the date shown and supersedes all previous data. Customers should check with their local Deutsch Master office to ensure they are referencing the current version.

7.2 Conditions for safe storage, including and incompatibilities

Technical measures & storage conditions	Keep container tightly closed in a cool, well ventilated place
Requirements for storage rooms and vessels	Store only in original container
Further information on storage conditions	Avoid UV-radiation, direct sunlight, excessive heat, excessive cold

Section 8: Exposure control/ personal protection

8.1: Control Parameters

Substance comments	Exposure limit value
2,6-di-ter-butyl-p-cresol (butyl hydroxi touleno, bht)	ACGIH – TLV – TWA : 2 mg/m ³ (IFV)

(IFV: Inhalable fraction and vapour)

8.2: Exposure control

8.2.2 Personal protection equipment (PPE)

Eye/ face protection	Eye glasses with side protection
Skin protection	Protective gloves

Section 9: Physical & Chemical properties

9.1: Information on basic physical and chemical properties

Appearance:

State	Liquid
Odour	N/A

Relevant Data

pH	N/A
Melting point	N/A
Approx. boiling point	N/A
Flash point	N/A
Density (25°C)	0.97 g/cm ³

Although the information and specifications provided in this document are, to the best of our knowledge, accurate and truthful, Deutsch Master recommends that users conduct a trial to confirm the suitability of the product for the intended application. Please note that regional climatic conditions may result in variations in the product's performance. No warranty, express or implied, is provided or implied in connection with any recommendations or suggestions made by Deutsch Master, its representatives, agents, or distributors. The information contained in this technical data sheet is effective from the date shown and supersedes all previous data. Customers should check with their local Deutsch Master office to ensure they are referencing the current version.

Section 10: Stability & reactivity**10.1. Reactivity**

Based on available data, N/A

10.2. Chemical stability

Based on available data, N/A

10.3. Possibility of hazardous reactions

Based on available data, N/A

10.4. Conditions to avoid

Based on available data, N/A

10.5. Incompatible materials

Based on available data, N/A

10.6. Hazardous decomposition products

Based on available data, N/A

Section 11: Toxicology information**11.1: Information on hazard classes**

Acute oral toxicity	Harmful if swallowed (Oral ETAm: 1977, 707 mg/kg)
Acute dermal toxicity	Based on available data, N/A
Skin irritation	Based on available data, N/A
Serious eye irritation	Causes irritation
Respiratory or skin sensitivity	Based on available data, N/A
Germ cell mutagenicity	Based on available data, N/A
Carcinogenicity	Based on available data, N/A
Reproductive toxicity	Based on available data, N/A
STOT-single exposure	Based on available data, N/A
STOT-repeated exposure	Based on available data, N/A
Aspiration hazard	Based on available data, N/A
Additional Information	N/A

Section 12: Ecological information**12.1: Toxicology**

Based on available data, N/A

12.2: Persistence and degradability

Based on available data, N/A

12.3: Bioaccumulate potential

Based on available data, N/A

12.4: Mobility in soil

Based on available data, N/A

Although the information and specifications provided in this document are, to the best of our knowledge, accurate and truthful, Deutsch Master recommends that users conduct a trial to confirm the suitability of the product for the intended application. Please note that regional climatic conditions may result in variations in the product's performance. No warranty, express or implied, is provided or implied in connection with any recommendations or suggestions made by Deutsch Master, its representatives, agents, or distributors. The information contained in this technical data sheet is effective from the date shown and supersedes all previous data. Customers should check with their local Deutsch Master office to ensure they are referencing the current version.

12.5: Results and vPvB assessment

Based on available data, N/A

12.6: Endocrine disrupting properties

Based on available data, N/A

12.7: Other effects

N/A

Section 13: Disposal consideration

13.1: Waste treatment methods

When disposing, follow local laws and guidance on disposal, or consult a local expert.

Section 14: Transport information

	Land transport	Inland water freight	Sea freight	Air freight
14.1: ID no.	No dangerous goods in sense of these transport regulations	No dangerous goods in sense of these transport regulations	No dangerous goods in sense of these transport regulations	Doc 9284 – NA/905
14.2: Proper shipping name	No dangerous goods in sense of these transport regulations	No dangerous goods in sense of these transport regulations	No dangerous goods in sense of these transport regulations	No dangerous goods in sense of these transport regulations
14.3: Transport hazard class	N/A	N/A	N/A	N/A
14.4: Packing group	N/A	N/A	N/A	N/A
14.5: Environmental hazards	N/A	N/A	N/A	N/A
14.6: Special precautions	N/A	N/A	N/A	N/A
14.7: Maritime transport in bulk according to IMO instruments	N/A	N/A	N/A	N/A

Although the information and specifications provided in this document are, to the best of our knowledge, accurate and truthful, Deutsch Master recommends that users conduct a trial to confirm the suitability of the product for the intended application. Please note that regional climatic conditions may result in variations in the product's performance. No warranty, express or implied, is provided or implied in connection with any recommendations or suggestions made by Deutsch Master, its representatives, agents, or distributors. The information contained in this technical data sheet is effective from the date shown and supersedes all previous data. Customers should check with their local Deutsch Master office to ensure they are referencing the current version.

Section 15: Regulatory information

15.1: Safety, health, and environmental regulations specific for the mixture

Training is strongly recommended before use.

Before handling/ using product, ensure local laws and guidelines have been studied.

15.2: Chemical Safety Assessment

N/A

Section 16: Other Information

16.1: Indication of change

N/A

16.2: Abbreviations and acronyms

ACGIH - American Conference of Governmental Industrial Hygienists; EC50 - Effective Concentration 50%; CEr50 - Effective concentration resulting in a 50% reduction in growth rate; LC50 - Lethal Concentration 50%; EC - European Community; EEC - European Economic Community; ETAm - Estimated Acute Toxicity of the mixture; NR - Regulatory Standard; UN - United Nations Organisation; TLV - Threshold Limit Value; TWA - Time Weighted Average.

16.3: Key literature references and sources of data

N/A

16.4: Classification of mixtures and used evaluation method

Hommel Diagram – NFPA 704

16.5: List of relevant hazard statements and/or precautionary statements

H315	Causes skin irritation
H318	Causes serious eye damage

16.6: Training advice

N/A

16.7: Additional information

Hommel Diagram
